PROFESSIONAL EXPERIENCE

Product Marketing & Growth Manager UX Pilot AI | AI Design SaaS Jan 2026 - Present

- Own product positioning, messaging and GTM narratives across website, product education, social and growth campaigns for a global AI product design platform.
- Increased free-to-paid conversion by 34.8% through pricing and packaging experiments, including geographic pricing and segment-specific value communication.
- Turn user insights, feature updates and AI workflows into launch narratives, competitive intelligence, value propositions and market-facing campaigns.
- Analyze customer feedback, market trends and product behavior to improve acquisition, activation, conversion and product adoption.
- Partner with Product, Growth, Design and Sales on launches, funnel experiments and enablement across the customer lifecycle.

Growth Marketing & Creator Partnerships Manager UX Pilot AI | AI Design SaaS Sep 2025 - Present

- Lead organic growth across content, community, creator partnerships and lifecycle touchpoints; managed 20+ creator relationships from sourcing through analysis.
- Generated 3M+ organic impressions through product-led campaigns and built repeatable systems that convert customer pain points and AI workflows into acquisition content.

Brand & Product Marketing Strategist HOUS3 | B2B Technology Jun 2025 - Jan 2026

- Led B2B positioning, messaging and demand creation across AI, software and emerging technology markets; supported a rebrand and executive thought leadership.
- Contributed to 600% Instagram growth in under five months and a 200% increase in high-ticket B2B clients by strengthening authority, differentiation and perceived value.
- Created 200+ strategic content assets and planned a 100-person executive event supporting PR, partnerships and commercial relationships.

Product Marketing & Growth Analyst Stratosphere | Technology Jan 2025 - Jul 2025

- Supported PMM, GTM and performance programs across 10+ technology accounts; managed three accounts simultaneously and led 10+ client onboardings.
- Generated 2M+ views and executed 10+ creator and industry-expert campaigns, using CTR, CPM, engagement and conversion signals to optimize narratives and distribution.

Social Media & Product Marketing Manager SNACK Builds | Gaming & Digital Jan 2024 - Jul 2025

- Led content, community growth and product launch campaigns across four social accounts, producing 500+ posts, 3M+ impressions and 10,000+ net organic followers.
- Supported one mobile game launch and a sold-out 5,555-unit digital product collection that generated \$16M+ in primary sales.
